## MIDDLEBURG.

A large crowd of young folks attended the old folks' singing at Bruce's Chapel Sunday.

There was an oyster and ice cream supper given to the pupils at the College Friday night. There was a large crowd present and all report a good time.

Farmers are very busy preparing ground and planting corn. They are a little late on account of rains. Most of the gardens are looking fine for this time of year.

Murrill and wife, of Lebanon, were visiting Jeff Godbey and wife. Mr. and Mrs. Joe Williams were visiting relatives this week. Enoch Wesley and family were visiting relatives on Rolling Fork this week. Clarence Lucas has returned home from Indiana, where he has been the past month. Mrs. Sarah Hatter, of Polkton, was visiting friends here Saturday and Sunday.

GOSHEN.—Jessie Breedlove, son of Mr. and Mrs. John Breedlove, who had been confined to his bed for over two months, breathed his last on Sunday morning. Although his death had been expected for some time, it came as a shock to his relatives and friends. Constant medical attention and careful nursing were of no avail. He never wanted for anything that loving hands could do for him. All who knew him loved him. He was a favorite with all his teachers and playmates. He was laid to rest in Goshen cemetery Monday in the presence of a large number of friends and sorrowing relatives. His teacher with all her pupils attended the interment and when the snow white casket, which held all that was mortal of dear Jessie, was hidden from view, there was scarcely a dry eye. Being only 15 years old, life seemed full of promise and we can't see why he was taken. But God knoweth why. We wish to say to the broken-hearted father and mother that it will not be long until you will meet your dear son in the better land where parting is no more.

Kerr and Richard Chandler, of Rowland, and their best girls, spent Sunday in Crab Orchard. John Bowen is tossing his hat in the air over the arrival of a fine boy at his house.

## Chamberlain's Cough Remedy the Very Best.

"I have been using Chamberlain's Cough Remedy and want to say it is the best cough medicine I have ever taken," says Geo. L. Chubb, a merchant of Harlan, Mich. There is no question about its being the best as it will cure a cough or cold in less time than any other treatment. It should always be kept in the house ready for instant use, for a cold can be cured in much less time when promptly treated. For sale by Lyne Bros., Crab Orchard Ky.

There is a storekeeper in Kansas City who, although he doesn't know it, is losing trade through the presence of a wax figure of a woman in his show window.

The "woman is comely and she displays dresses very well, but she is cross-eyed." "I'll bet I've heard 20 women talking about the cross-eyed figure," said a policeman, who walks a beat near the store, yesterday. "Some of them are superstitious and actually refuse to buy at the store. They think the cross-eyed woman will give them bad luck."—Kansas City Times.

## Cleared for Action.

When the body is cleared for action, by Dr. King's New Life Pills, you can tell it by the bloom of health on the cheeks; the brightness of the eyes; the firmness of the flesh and muscles; the buoyancy of the mind. Try them. At G. L. Penny, Stanford, and Lyne Bros., Crab Orchard, drug stores.

Senator Warner, of Missouri, says his election cost him but \$29.80, and now Senator Frazier, of Tennessee, files a bill showing that his election cost him but \$11.50. How much would Senator Blackburn and Judge Paynter give to know the combination by which the trick can be worked so cheaply?—Frankfort Journal.

The democratic State Central Committee, in session at Frankfort, appointed a State Campaign Committee with Judge John M. Lassing as chairman; advised a primary in all the counties of the 12th Senatorial district, adopted a new rule that the rotation system of nominations be used only when there is unanimous consent, and approved lists of committeemen for the city of Covington and the county of Kenton.

Secretary Taft in an address at the banquet to the International Railway Congress in Washington surprised the assembled magnates by entering upon a vigorous discussion of the railroad rate question. Mr. Taft declared that rate legislation must come and that if railroad men were wise they would aid it and not hinder it. ## A Good Suggestion.

Mr. C. A. Wainwright of Lemon City Fla., has written the manufacturers that much better results are obtained from the use of Chamberlain's Colic, Cholera and Diarrhoea Remedy in cases of pains in the stomach, colic and cholera morbus by taking it in water as hot as can be drunk. That when taken in this way the effect is double in rapidity. "It seems to get at the right spot instantly," he says. For sale by Lyne Bros., Crab Orchard, Ky.
